6. What’s Next?

You have reached the end of this tutorial module covering the markup of drama texts with TEI. You can now either

- proceed with other TEI by Example modules
- have a look at the examples section for TEI by Example Module 5: Drama.
- take an interactive test. This comes in the form of a set of multiple choice questions, each providing a number of possible answers. Throughout the quiz, your score is recorded and feedback is offered about right and wrong choices. Can you score 100%? Test it here!
